Subject: I strongly Support S.B. No. 307 H.B. No. 5561

S.B. No. 307 AN ACT PROVIDING FUNDING FOR THE STATE-WIDE FIREARMS TRAFFICKING TASK FORCE.

H.B. No. 5561 AN ACT CONCERNING FUNDING FOR THE STATE-WIDE FIREARMS TRAFFICKING TASK FORCE.

I strongly support full funding for the statewide firearms task force and the act concerning funding for firearms trafficking. In fact, these are two of only a few that actually make an sense of this whole Anti gun rally and attempt at banning any firearms to good citizens of this state. The reason I fully support this bill as you should as well. Is, it is one of the bill's that actually make any sense what so ever in doing anything to attempt to go after the real criminals. The funding that was originally cut for the task force should be reinstated immediately!! This is one of the first Bill's that is actually going to do any good and has any real resolve at going after the source of criminal activities. All of the other bills that have been brought up as of late are nothing more than knee jerk reactions with no substance at curbing crime. This Bill should be past with vigor!! We and the State have to use our resources correctly to stop crime Not Hysterically. These bills S.B. No 307 and No. 5561 if passed and signed into law will help stop crime and help to put a curb on criminal activities concerning firearms.

Sincerely
